FUN FACTS

Marion Peavey

----I have visited Alaska 15 times over the years. Most enjoyable time was spent watching black bears, polar bears, other wild life; plus dog sledding and building an igloo.

----I enjoy watching college football and basketball.

----I enjoy playing tennis, golf, flag football, hiking.

---- I have done extensive consulting with non-profits for 50 years. My most memorable fund raising event was as a member of the senior class at Wofford in 1965 when we solicited students to give over \$7,000(!!!) which we presented to the Board of Trustees to begin a fund raising campaign to build the badly needed Sandor Teszler Library.

----My wife has done special events for many years of all sizes all over the U.S. She is the best at arranging programs, tables, decorating, and arranging flowers.

----My wife, Jo, and I have been married 46 years and we have two grandchildren, and two adult children and all live in Virginia.

---I have met many famous and interesting sports figures including Peyton Manning, George Steinbrenner, Coach K, Lute Olsen, and others through my work with the NCAA Foundation.

--- In summary---I enjoy helping people and institutions succeed.
