FUN FACTS

Bob Wynn

In the 1950s, Spartanburg HS and Gaffney HS played the final football game of the season against each other on Thanksgiving Day. In 1958, Rotarian Bob Haas and I lined up against each other....in Gaffney....in the snow. The final score: zero to zero. I and four of my high school friends spent the summer of 1958 making \$1 per hour working for Fiske Carter Construction Co. building the dam for Lake Bowen. My beautiful wife, Carolyn, and I first began to notice each other when, as high school seniors, we sang in the chorus of Converse College's production of Verdi's *Rigoletto*. When I went off to college, the construction on I-85 was just beginning, so I traveled to and from Charlotte (sometimes hitch-hiking) via US 29, including 22 stop lights in Gastonia. When I was a student at Davidson College, students (all male) were **required** (three "cuts" per semester) to attend "chapel" (often not religious in nature) three days each week in the school auditorium and Sunday night Vespers in the Davidson College Presbyterian Church. The behavior of the students on those mandated "chapel" occasions was rarely exemplary. When I started practicing law, women could not serve on juries in SC. When the legislature changed the law in 1969, many of the older lawyers in town were certain there would never again be any justice in SC. Next year, my wonderful Carolyn and I will celebrate our 52nd wedding anniversary. We have two wonderful daughters, two wonderful sons-in-law, and four exceptional grandchildren.
