Do you know a future Rotarian?

The Rotary Club of Spartanburg is almost 100 years old and one of the largest in South Carolina, but we have room to grow!

Do you know someone who enjoys serving their community?
Do you know someone who has moved to town, and is eager to learn more about Spartanburg?

Do you know a leader in their field who would bring new ideas to our Club?

YOU are important to the future growth of the Club. Take a moment to list someone you may know that would make a great Rotarian.
