The Rotary Club of Spartanburg: CALL FOR VISIONARY LEADERS

Three director seats will open on the Rotary Board of Directors in July 2017. Board governance offers an exciting opportunity to participate in a leadership team focused around common values and priorities.

It's a rewarding experience to be among the thought leaders and stewards who are aligned in their aspiration to create an even better and more dynamic club. If you are motivated to serve and want to be part of the vision and strategic planning that will shape the future of our Rotary Club, *raise your hand and volunteer for the board.*
