Speaker Jonathan Sandys

One of the great benefits of the annual Rotary District 7750-All Club Conference is the powerfully inspiring speakers we get to hear. **One of this year's special keynote speakers is the Great Grandson of Sir Winston Churchill, Jonathan Sandys.** Sandys is a professional speaker and author who communicates the morals, values and leadership skills of his great-grandfather and those of the "Greatest Generation" in a vibrant and interactive way.

For more information about how you can hear this speaker at the All Club Conference, visit our web-page at www.rotary7750.org/Conference

Please consider (club members too) who you buy Christmas/Holiday gifts for in December. Consider the opportunity to **donate to PolioPlus in honor of someone.** RI will send a letter to the person(s) you select and let them know that you have made a donation in their honor. This is a nice way to recognize someone in your family and/or friend while participating in the eradication of Polio.
