Comments from District Governor Lance Young:

The Spartanburg Rotary Club is absolutely awesome and is very passionate about Rotary! That is how I felt after visiting your Club today! The Club is fun, energetic, and for sure, President John is an effective and well-organized leader! Everyone had a smile on their face and all were so friendly. The board meeting was very informative and all board members were passionate about their areas of responsibility—Kit, thank you for balancing both the Secretaries and Treasures responsibilities. It was also a pleasure to recognize PE Eric for his dedication and service to the club and to present him with a Rotary challenge coin. President John, thank you for all you did to make my visit run so smoothly, and my thanks also extends to AG Pete for his role on your team.
